

In the City Council
City of Lodi
Lodi, California

RESOLUTION NO. 1094

WHEREAS, the Executive Committee of Lodi Grape and Wine Festival, Inc., and San Joaquin County Fair has submitted in writing its request for use of certain City owned Facilities during this year's annual festival, and,

WHEREAS, this City Council deems said request to be fair and reasonable and the basis for a working agreement between the City of Lodi and the said Executive Committee for the accomplishment of a successful festival in promotion of Lodi's most important industries and that the expenditures proposed under said request will be well within this City's funds available and legally applicable for this purpose, now therefore,

BE IT RESOLVED, that this City Council does hereby grant to said Lodi Grape and Wine Festival and San Joaquin County Fair, the use of the facilities requested, the said use to be administered through Mr. Thomas G. Killelea, named by said Executive Committee as contact man between the festival association and this City as in said request set forth;

Employees and officers of the City will cooperate with the said Executive Committee, through its contact man, in order to accomplish orderly compliance with said Committee's request, and so that proper charges may be entered in the City's records as to the cost and expense incurred by the City in its assistance to the successful conducting of this year's annual festival.
